The "DOG TRAIL LMIT Km 12" race route follows the following itinerary through the territory of the municipality of Maccagno with Pino and Veddasca (VA), more precisely:

- Maccagno con Pino e Veddasca – Sport field (206m)
- Frazione Garabiolo (566m)
- Ostello "Comunità Montana"
- Frazione Musignano (746m)
- Frazione Sarangio (534m)
- Maccagno con Pino e Veddasca – Campo Sportivo (206m)

TECHNICAL CHARACTERISTICS: 3% asphalt - 97% paths.

In both trails the kilometers are not marked. In this regard it is advisable to study well the description of the route provided by the Organization and downloadable from the official website, as well as the relative tracks available on the official website WWW.LMIT.INFO.

Competitors must strictly comply with the competition route marked by orange biodegradable paint marks (2 overlapping vertical or horizontal rods or arrows), orange-colored rods or yellow / black ribbons.

Any signs of different colors must be neglected as they indicate paths that are not related to the DOG TRAIL LMIT.

If you don't meet those signs for a distance of about 300 meters, you must go back to make sure you are on the correct path.

To abandon the official route, in addition to entailing disqualification from the race, will take place at the exclusive risk and danger of the competitor.
